Want to make a difference? Please, take a moment and add your name to the Coleman Institute's Declaration of Rights!

Ability Beyond has been awarded a \$10,000 grant from the Coleman Institute for Cognitive Disabilities to assist the TIP Squad to empower even more people through technology! Please help us to meet one of our grant goals by clicking the link to sign the Declaration and selecting 'Ability Beyond' at the bottom of the form which can be found [HERE!](#). The Coleman Institute developed this Declaration of Rights to advocate for people with cognitive disabilities to have the right to access technology.
